

Student Activities Program

The education of a Taylor Business Institute student occurs both inside and outside the classroom. Student activities facilitate student learning by providing opportunities to explore mutual or diverse extracurricular interests with others.

Through the Student Activities Program, TBI's staff schedules speakers and lecturers and many other events and activities. This enhances student growth and development. Community service opportunities challenge students to develop personally and professionally in the areas of responsibility, social interaction, leadership, communication, and decision-making. Student life at Taylor includes the following:

- **Academic Recognition**

Honor Roll Recognition: Taylor Business Institute encourages excellence and officially recognizes outstanding student achievement by awarding certificates to students with a quarterly cumulative grade point average of 4.0 for Honor Roll and 3.0 to 3.9 for Honorable Mention. Record reviews occur at the end of each quarter to determine eligibility.

Attendance Awards: Attendance certificates are awarded to students with fewer than three days absence within a quarter.

Graduation Ceremony: Taylor Business Institute's graduation ceremony is held every year in September. The Associate of Applied Science degree is conferred upon those students who have successfully completed a program in one of the following areas: Accounting (Advanced), Medical Biller Specialist, Electronics Engineering Technology, or Criminal Justice and Security Administration.

Diplomas are awarded to those students who have successfully completed the Medical Secretary and the Accounting (Basic) program.

- **Pizza with the President**

Pizza with the President occurs each quarter and affords every TBI student the opportunity to meet with the President who reports on the state of affairs at TBI with a question and answer session that follows. Students are given comment cards to identify concerns, suggestions or opportunities if they choose not to ask a question or want to request an appointment. A pizza reception follows.

- Service Learning Projects
- Guest Speaker Program
- Taste of Taylor
