

Location and Facility

The College is located in the historic Chicago Loop. The “Loop” is a major hub of business activity in Chicago encompassing the financial and theater districts and parks. It is at the cross section of business, commerce, and great shopping. One block north, the college opens to Chicago’s “Magnificent Mile;” south to the world-renowned Art Institute, the famous Grant and Millennium Parks, and the Harold Washington Library, west to the Chicago Stock Exchange, City Hall, and other major municipal buildings, and east to spectacular Lake Michigan. The campus is in a college corridor with several colleges and universities nearby. The college is easily accessible by all major forms of public transportation and has reasonable parking accommodations next door. The convenience factor of commuter trains and buses, which bring students within a block or two of the college, is critical for a student population that depends primarily on public transportation. A variety of eating and retail establishments are within walking distance.

The Campus: Residing in 18,100 square feet of space on one floor, the campus has sufficient administrative and student services offices and is fully wired for computer labs and internet connectivity. There are eleven current classrooms and laboratories and ample space dedicated to library, bookstore, student lounge, faculty work area and staff lounge. Restroom facilities are internal to the space, sufficient and ADA compliant. The building has 24-hour security and is compliant with Fire Marshall standards.
