

## **Voter Registration**

Students are encouraged to vote. **It is our right and our privilege.** Voter registration forms are made available through the financial aid office located on the 5th floor and are provided to each enrolled student.

According to the National Higher Education Act of 1998, colleges and universities in the U.S. are required to make a "good faith" effort to distribute voter registration forms to every student and to make such forms widely available. The National Mail Voter Registration Form is the one document that allows you to register to vote from anywhere in the U.S. In order to register to vote, you must be a citizen of the U.S. and at least 18 years of age at the time of the next election. Taylor Business Institute encourages all students to participate in the electoral process by registering to vote and voting.
